

Authors **J. C. Cervantes & Roshani Chokshi** will be visiting **F.Ave** on **Friday, August 30th!**

Twelve-year-old Aru stretches the truth to fit in at her private school, but when she is dared to prove an ancient lamp is cursed, she inadvertently frees an ancient demon.

In Book 2 of this exciting series, Aru is accused of stealing the god of love's bow and arrow. She has ten days to find the real thief or risk being kicked out of the Otherworld.

A lonely boy in New Mexico has a physical disability that makes middle school feel even more like everyone is watching him. But he soon learns that his physical differences are merely the first clue to a family history that connects him to the Mayan gods—and puts him in mortal danger.

In the fiery and fast-paced sequel to *The Storm Runner*, Zane Obispo has an impossible choice to make: save other godborns like him from the angry gods, or rescue his father Hurakan from his eternal prison. Featuring gods from both Mayan and Aztec myth!
