

John Bemelmans Marciano and newly minted Caldecott Medalist Sophie Blackall will be visiting 4/5 Academy on Thursday, May 5th!

Ben arrivata! Welcome to Benevento, an ancient town in southern Italy with a Roman theater at the center, a castle fortress overlooking the town and the river, beautiful farmland all around...*and witches around every corner.* **THE WITCHES OF BENEVENTO** are not the broomstick-riding-hag variety. These supernatural beings include the *Janara*, who fly about on stormy nights performing mischief; the *Clopper*, an old witch who chases children through the streets of town; and the *Manalonga*, who hide in wells and under bridges. In this **new chapter book series from John Bemelmans Marciano and Sophie Blackall**, five cousins—Primo, Emilio, Rosa, Maria Beppina, and Sergio—share adventures and narrow escapes, and discover astonishing secrets as they outwit the witches in each exciting story.
